## **CLARIFICATION**

In October 2024, co-author Marcelo Rodrigo Garcia Saquicela pointed out the need to supplement his affiliation. The supplementation was necessary as the work presented in published article was conducted through the involvement and engagement of two institutions.

Following a request by co-author Marcelo Rodrigo Garcia Saquicela, supported by all co-authors, the Editor-in-Chief has approved the following correction for the article published in 22(2024)2, 1203, 386-392, DOI: 10.5937/jaes0-46295:

**José David Barros Enríquez<sup>1\*</sup>, Milton Iván Villafuerte López<sup>1</sup>, Angel Moises Avemañay Morocho<sup>1</sup>, Diego Javier Punina Guerrero<sup>2</sup>, Marcelo Rodrigo Garcia Saquicela<sup>3, 4</sup>**

<sup>1</sup> Faculty of industrial and production sciences, Quevedo State Technical University (Uteq), Quevedo, Ecuador

<sup>2</sup> Faculty of mechanical engineering, Polytechnic Higher School of Chimborazo (Espoch), Riobamba, Ecuador

<sup>3</sup> Faculty of engineering and applied sciences, University of the Americas (Udla) Quito, Ecuador

<sup>4</sup> Faculty of Engineering Sciences, State Technical University of Quevedo, Los Rios, Ecuador
